*Future Developments is a collection of 13 14 artists (or maybe more, you just never know) whose work will be employed to create an ad hoc sequence of distinct but relatively related exhibitions to build the whole of the exhibition. This ever-changing show, with a new iteration every two weeks or so (depending on how I feel), will include several artists previously exhibited at the gallery; a former undergraduate classmate of yours truly; someone with whom I share a birthday; a past exhibitor at Art of This; and two artists I have yet to meet in person. To keep you on your toes, as they say, there may even be some surprises, cameos, guest appearances, that sort of thing. And every Saturday at 4, please join us for Happy Hour on the Patio.*

*To inaugurate the exhibition, Future Developments presents work by MN north-woodsman Aaron Spangler, St. Paul native Jessica Dickinson, NY veteran Adam Henry, and two Los Angeles artists whose names both begin with the letter 'L,' Lisa Williamson and Lander Burton. Upcoming iterations and events will be posted on the website and via email and social media.*
